

**CALIFORNIA TRANSPORTATION COMMISSION  
 FISCAL YEAR 2019-20  
 ROAD MAINTENANCE AND REHABILITATION ACCOUNT  
 LOCAL STREETS AND ROADS FUNDING PROGRAM  
 ADOPTED INITIAL REPORT OF ELIGIBLE CITIES AND COUNTIES**

Pursuant to Streets and Highways Code Section 2034, the cities and counties listed below have been deemed eligible for Fiscal Year 2019-20 funding.

A list of projects submitted by the eligible cities and counties, is available on the Commission's website at: [www.catc.ca.gov/programs/sb1/l srp/](http://www.catc.ca.gov/programs/sb1/l srp/). The published list of projects is subject to change with the addition of complete project list submittals received by the Commission no later than August 1, 2019 and determined eligible by the Commission at the August 2019 Commission meeting.

**CALIFORNIA TRANSPORTATION COMMISSION**  
**Adoption of The Fiscal Year 2019-20 Road Maintenance and Rehabilitation**  
**Account Local Streets and Roads Funding**  
**Initial Report of Eligible Cities and Counties**

**RESOLUTION G-19-24**

- 1.1 **WHEREAS**, on April 28, 2017, the Governor signed Senate Bill (SB) 1 (Beall, Chapter 5, Statutes of 2017), known as the Road Repair and Accountability Act of 2017 to address basic road maintenance, rehabilitation, and critical safety needs on both the state highway and local streets and road system; and
- 1.2 **WHEREAS**, beginning November 1, 2017, portions of new funding from increases to certain fuel excise and sales taxes and vehicle registration fees were deposited into the Road Maintenance and Rehabilitation Account, and a percentage of this new funding is apportioned monthly by formula by the State Controller pursuant to paragraph (2) of subdivision (h) of Section 2032 of the Streets and Highways Code to eligible cities and counties for basic road maintenance, rehabilitation, and critical safety projects on local streets and roads; and
- 1.3 **WHEREAS**, Streets and Highways Code Section 2034(a)(1) requires that prior to receiving an apportionment of Road Maintenance and Rehabilitation Account funds pursuant to paragraph (2) of subdivision (h) of Section 2032 from the Controller in a fiscal year, an eligible city or county shall submit to the California Transportation Commission (Commission) a list of projects proposed to be funded with these funds pursuant to an adopted resolution; and
- 1.4 **WHEREAS**, Streets and Highways Code Section 2034(a)(2) requires that the Commission report to the Controller the cities and counties that have submitted a list of projects as described in this subdivision and that are therefore eligible to receive an apportionment of funds under the program for the applicable fiscal year. The Controller, upon receipt of the report, shall apportion funds to eligible cities and counties; and
- 1.5 **WHEREAS**, Streets and Highways Code Section 2034(a)(1) specifies that the project list shall not limit the flexibility of an eligible city or county to fund projects in accordance with local needs and priorities, so long as the projects are consistent with Streets and Highways Code Section 2030(b); and
- 1.6 **WHEREAS**, the Commission, in consultation with cities, counties, and their representatives as well as the State Controller's Office and other stakeholders, developed the 2019 Local Streets and Roads Funding Program Annual Reporting Guidelines adopted by the Commission on August 15, 2018, revising the detail and process for the project list submittal and project expenditure reporting; and
- 1.7 **WHEREAS**, Commission staff worked with city and county representatives to identify enhancements needed for the online California State Multi-Modal Application and Reporting Tool to improve the submittal and reporting experiences of the cities and counties while ensuring data integrity; and

- 1.8 **WHEREAS**, Commission staff collected the Fiscal Year 2019-20 project list resolution submittals from cities and counties as required by Streets and Highways Code Section 2034(a)(1); and
  - 1.9 **WHEREAS**, While Commission staff (per Streets and Highways Code Section 2034(a)(1)) reviewed submittals for completeness, Commission staff did not select or authorize the projects listed; and
  - 1.10 **WHEREAS**, Commission staff compiled a list of cities and counties that provided complete project list resolution submittals and are therefore eligible to receive Fiscal Year 2019-20 formula apportionments of Road Maintenance and Rehabilitation Account Local Streets and Roads Funding, as reflected in the attached Initial Report of Eligible Cities and Counties; and
  - 1.11 **WHEREAS**, that attachment is intended to serve as the initial report of eligible cities and counties as required by Streets and Highways Code Section 2034(a)(2), for transmittal to the State Controller.
- 
- 2.1 **NOW, THEREFORE, BE IT RESOLVED** that the Commission adopts the attached Fiscal Year 2019-20 Road Maintenance and Rehabilitation Account Local Streets and Roads Funding Initial Report of Eligible Cities and Counties; and
  - 2.2 **BE IT FURTHER RESOLVED**, that Commission staff is authorized to make minor technical changes as needed to the report; and
  - 2.3 **BE IT FURTHER RESOLVED**, that the Commission directs staff to transmit the report to the State Controller as required by Streets and Highways Code Section 2034(a)(2).
